

## Volunteers

Earthstompers donating R 1000 per client towards Prochorus Community Developments in Kayamandi - Stellenbosch. For every student/volunteer from Prochorus that join our 6 Day Garden Route Adventure we will donate R1 000 of final tour price towards Prochorus for the benefit of the community in the Township Kayamandi. What is Prochorus? Prochorus Community Development is a non-profit, section 21 company based in Kayamandi, Stellenbosch. It owes its existence to the consolidation of several projects, which have run for several years. These include: Computer literacy classes, scholarship and sports programmes, emergency relief, distribution of clothes, blankets and food, creche support, soup kitchen, rape and abuse counselling, evangelistic outreaches and guided tours of area. The scope of its work is not restricted to this township alone but includes all previously disadvantaged groups in Stellenbosch. We believe that helping the poor is a task and privilege of the advantaged communities and Prochorus is a vehicle through which the church reaches out to the poor in the broader community. Prochorus are dependant on volunteers and donations. For more info on how to get involved or make a contribution go to [www.prochorus.givengain.org](http://www.prochorus.givengain.org) Volunteer Bookings More volunteer and student discounts available!
